

The Family song

(Kanon)

Mother Brother Sister, and of course Daddy
This is our house, and we are family

Mother Brother Sister, and of course Daddy
This is our house, and we are family

Mother Brother Sister, and of course Daddy
This is our house, and we are family

Mother Brother Sister, and of course Daddy
This is our house, and we are family

Mother Brother Sister, and of course Daddy
This is our house, and we are family

Mother Brother Sister, and of course Daddy
This is our house, and we are family
