

# What Food Can Be

*(Chorus) Coffee, carrots, fish, potatoes, ham and strawberries.  
Watermelon, bread, bananas, that's what food can be.*

(1) I ran to the kitchen, hunger level was high,  
but everywhere I looked there was no food in sight.  
I went to the city 'cause I needed some food,  
but every shop was closed, there was nothing to do.

*(Chorus) Coffee, carrots, fish, potatoes, ham and strawberries.  
Watermelon, bread, bananas, that's what food can be.*

(2) My stomach was so empty it told me to eat,  
coffee, carrot, fish, potatoes, bread and meat.  
I ran to my uncle and I hoped I had luck,  
to find a little food and a lollipop.

*(Chorus) Coffee, carrots, fish, potatoes, ham and strawberries.  
Watermelon, bread, bananas, that's what food can be.*

## What Food Can Be (Page 2)

- (3) My uncle Jon was home but he had no food at all,  
I looked everywhere, I was about to fall.  
I left uncle Jonathan and went to grandma,  
I hoped that she had food because I couldn't go far.

*(Chorus) Coffee, carrots, fish, potatoes, ham and strawberries.  
Watermelon, bread, bananas, that's what food can be.*

- (4) I knocked down the door and screamed loud for food,  
My grandma was surprised and asked me what to do?  
Give me food, give me food, give me all that you have,  
you can eat all you want she said and then she laughed.

*(Chorus) Coffee, carrots, fish, potatoes, ham and strawberries.  
Watermelon, bread, bananas, that's what food can be.*
