

# We Are Moving In

- (1) We have bought a bigger house in Mingoville  
We are moving in  
All the furniture is waiting in the truck  
We are moving in

*(Chorus) Under, on or trying next to  
We have to place the furniture  
Big or small, beside or next to  
Which room do you prefer?*

- (2) I will have the biggest room it's good for me  
We are moving in  
But my sister Ollie has the same idea  
We are moving in

*(Chorus) Under, on or trying next to  
We have to place the furniture  
Big or small, beside or next to  
Which room do you prefer?*

- (3) Carrying my things up to the biggest room  
We are moving in  
I think my sister Ollie is ok with that  
We are moving in

*(Chorus) Under, on or trying next to  
We have to place the furniture  
Big or small, beside or next to  
Which room do you prefer?*
