

Time to travel

(1) Monday morning at 7 o'clock
Driving in my daddy's truck
Travel to my grandparents today
A lovely place to start the day.

(2) Back to our house again
Now the time is half past 10
At 12 o'clock my mother serves
My favourite food, ice-cream dessert.

(3) At 5 o'clock in the afternoon
We are late have to go soon
The party is at 6 o'clock
Candy has to hurry up.

(4) 10 past 6 we enter the room
No one there
We're all alone
The party it is not today
My father has mixed up the days...
